

Stories and Songs of the Native American Flute by Jan Michael Looking Wolf

SEVEN RABBITS takes you on a special journey with stories and music by Native Music Award Winner Jan Michael Looking Wolf. A Kalapuya Native American with mixed Irish heritage, he shares a beautiful message of hope, healing, and peace that the entire family can enjoy.

"Six young rabbits, all a different color, gather 'round an old wooden table preparing for dinner in the home of Elder Brown Rabbit...."

"C'mon, settle down, it's time to eat," Elder Rabbit said, "Oh lets each share a story before we have our meal."
